Michelle Wright, Shut Up And Kiss Me (Or Just S

You can talk about it talk about it
You can do it all night long
Yeah you can talk about it 'til you're blue
You can mass communicate reiterate
But when the morning comes
Will you still not have a clue
Now don't be a hypocrite
I'll get too sick of it
If you're only talking in vain

CHORUS: Shut up and kiss me

Or just shut up Shut up and kiss me

Or just shut up

Pacify me don't deny me

Satisfy my primal urge
'Cause you know we'll feel much better when we do
Talk is cheap but love is sweet
Without those words and
Actions speak much louder than they do
My heart is a battleship
Ever so passionate
Take it before it's too late

CHORUS I want to lose myself Don't you We've waited so long

For this moment

What feels so right Is loving you

And your heart is all you need to

Tell you what you have to do

CHORUS

Shut up and kiss me Shut up and kiss me Or just shut up Just shut up Just shut up
