

Michigan, Demon's Inside

An illusion
I'm walking on
Higher ground
Little child
There's confusion
Time passes
Speed on sound
Little child

Secrets of life keeps us apart
Secrets and lies in our hearts
Hearts

Pray for me
Come set me free
From the demons's inside of me
Can't you see that I'm bound
To pain

Separation
You're blaming the son
Of mine
Let us love
Destination
Destroy all the thoughts
In mind
Let us love

Secrets of life I did it again
Secrets and lies, in the rain
Pain

Pray for me
Come set me free
From the demon's inside of me
Can't you see that I'm bound
To pain

A gaze at the sun
Blamed for having fun
My heart's on the run
What have I done

Pray for me
Come set me free
From the demon's inside of me
Can't you see that I'm bound
To pain
