

# Mick Jagger, Old Habits Die Hard

I thought I shook myself free  
You see I bounce back quicker than most  
But i'm half delirious, Is too mysterious  
You walk through my walls like a ghost  
And I take everyday at a time  
I'm as proud as a Lion in his Lair  
Now there's no denying it, a note to crying it  
Your all tangled up in my head

Old habits die hard  
Old soldiers just fade away  
Old habits die hard  
Harder than November rain  
Old habits die hard  
Old soldiers just fade away  
Old habits die hard  
Hard enough to feel the pain

We haven't spoken in months  
You see i've been counting the days  
I dream of such humanities, such insanities  
I'm lost like a kid and i'm late  
But i've never taken your coats  
Haven't no block on my phone  
I act like an addict, i just got to have it  
I can never just leave it alone

Old habits die hard  
Old soldiers just fade away  
Old habits die hard  
Harder than November rain  
Old habits die hard  
Old soldiers just fade away  
Old habits die hard  
Hard enough to feel the pain

And I can't give you up  
Can't leave you alone  
And its so hard, so hard  
And hard enough to feel the pain

Old habits die hard  
Old soldiers just fade away  
Old habits die hard  
Harder than November rain  
Old habits die hard  
Old soldiers just fade away  
Old habits die hard  
Hard enough to feel the pain
