

Mick Jagger, She's The Boss

(Lyrics: Jagger - Music: Jagger/C. Alomar)

Stay home my child, stay home with me
Stay home my child, stay home with me
Oh please!

When I first met you, you looked so soft
Sso feminine, you looked so lost
What a fool I was

You called me manly, so masterful
You called me manly, so powerful
Was I ever gullible

She's the boss! She's the boss!
So I stay home, I stay home, stay hohe, stay home
It's all over, the party's over!
It's all over, I'll just shut my mouth

Now don't be cruel! Say you don't mean it
Now don't be cruel! Say you don't mean it
You the boss! Are you the boss?
She's the boss!
She's the boss in the office, she's the boss in the kitchen,
She's the boss in bed, she's the boss in my head
She's the boss! Okay!
You're the boss! Okay!
You're the boss! Okay! Okay! Okay!
I do what you say! Okay!

Now she's the guvernor, she's number one
From where I'm standing, I'm just a bum

Stay home, I stay home, stay home, stay home
It's all over, the party's over!
It's all over, the party's over!
The party's over!

Okay, I'll do what you say baby, it's okay
You want breakfast in bed? You got breakfast in bed
You want me to hold all calls? I'll hold all calls
You want me to fix your hair? I'll fix your hair
You want me to fix you dinner? I'll fix you dinner
You want me to stay up late? I'll stay up late
No problem, no problem

She's the boss! She's the boss!

It's all over, the party's over!
I'll keep my big mouth shut
Yes, she's the boss, she's the boss!
She's got the pants on, now she's the boss!
I stay home. What'd I say?
You want to what? Not right now baby
I've got a headache
You want it right now baby?
Well, I've got to wash my hair Okay, okay! I'll do what you say, okay, okay, okay!
You're the boss, you're the boss
You've got the pants on, now you're the boss!
