

# Mick Jagger, Use Me

(Bill Withers)

My friends feel their appointed duty  
They keep trying to tell me all you want to do is use me  
Uh huh but my answer about all that use me stuff

I want to spread the news that if it feels this good getting used  
You can keep on using me  
Until you use me up  
Until you use me up

My brother sit me right down and he talked to me  
He told me that I ought to not let you just walk on me  
Well I'm sure that he meant well, yeah but when  
Our talk was through

I said brother if you only knew you'd wish you were in my shoes  
You could keep on using me  
Until you use me up  
Until you use me up

Sometimes it's true you really do abuse me  
Oh you get me in a crowd of high class people  
And you act real nasty to me  
I said, oh baby, baby, baby, when you love me  
I can't get enough

I want to spread the news that if it feels this good getting used  
You can keep on using me  
Until you use me up  
Until you use me up
