

Mickey Avalon, Friends And Lovers

All my friends and all my lovers are... dead
Some from cheap narcotics and others from... lead
The filthy rich and the dirt-dirt poor
Are all the same when they can't take no more
'Cause all my friends and all my lovers are... dead

A slit wrist leaves a mess
On the breakfast table, oh yes
Betta' cut deep 'fore you go to sleep
Or in the morning you're the one who gonna have to clean

Days I've seen make a priest lose his beliefs
Like Kathy crawlin' 'cross the carpet in the bloodstained briefs
Chewin' pills like she was starvin' for a taste of relief
Her last wind was in the trash can; couldn't beat the disease

All my friends and all my lovers are... dead
Some from cheap narcotics and others from... lead
The filthy rich and the dirt-dirt poor
Are all the same when they can't take no more
'Cause all my friends and all my lovers are... dead

Johnny made a record, went straight to number one
But Johnny had a little fascination with guns
And cocaine, he couldn't stand to take the slow train
Got a little fortune, lost his breaks in the rain, ooo

What to do when your luck is through
Whether you come from the slums or live in Malibu
Seen runnin' down the avenue
Mickey Avalon with an attitude

All my friends and all my lovers are... dead
Some from cheap narcotics and others from... lead
The filthy rich and the dirt-dirt poor
Are all the same when they can't take no more
'Cause all my friends and all my lovers are... dead

Lean Lee Tucker was a mean motherfucker
Seen him knock a man clean out his corduroy slippers
And that same man's queen, been that mouse who took a hit of
Found him lifeless as a log in the Mississippi river

Tara was a stripper, died on the shitter
With a smile on her face and her hand on her liver
But I ain't mad, I forgive her
I just get a little sad every time I fuck her sister
