

Mickey Harte, Never Wanna Let You Down

You wouldn't forget it
I told you that it would only leave a bitter taste
Now look what you've started
There's no use pretending it's any other way

You say
The finer things in life are free
Like me
And all those little insecurities

Like a ship lost at the sea
So low, rescue me
You know I never wanna let you down
Like two storms that collide
A thorn in your side
You know I never wanna let you down
No I never wanna let you down
Yeah I never wanna let you down

Take all that you can now
I hope that you've learned how to stand on your own
Though it's true that I knew
You were always better off that way

You say
The finer things in life are free
Like me
And all those little insecurities

Like a ship lost at the sea
So low, rescue me
You know I never wanna let you down
Like two storms that collide
A thorn in your side
You know I never wanna let you down
Yeah I never wanna let you down
No I never wanna let you down
No no no
Yeah Yeah(oh oh oh)
oh
Na na na
na na na
Na na na

Like a ship lost at the sea
So low rescue me
You know I never wanna let you down
Like two storms that collide
A thorn in your side
You know I never wanna let you down
Yeah I never wanna let you down
No I never wanna let you down
No NO no
Yeah Yeah
I never wanna let you down
