

Micky Green, The Catch

Refrain:

Come for some fun
Come for some sun
Come to forget about someone

We can choose to get loose
Or just spend all our time in the blue
If you don't like that boat
We can float at the back near the choke

Refrain:

Come for some fun
Come for some sun
Come to forget about someone

We can check out the ref
But be sure that we leave to be back for aperitif
and from here it's not far
we can swim to the bar
We can appreciate where we are

Refrain:

Come for some fun
Come for some sun
Come to forget about someone

Cause when push comes to shove
You know I push the love towards you
Yeah
When push comes to shove
It's me pushing love towards you
