

# Middle Of The Road, Soley, Soley

Just a little bit lonely  
just a little bit sad  
I was feeling so empty  
until you came back  
until you came back  
until you came back.

Oh

Soley, Soley, Soley

Soley, Soley, Soley

Oh

Soley, Soley, Soley, ley

Soley, Soley, Soley, ley

Soley, Soley.

Just a little bit closer  
can you lay by my side  
can we get it together  
lazing in the sand  
lazing in the sand  
lazing in the sand.

Oh

Soley, Soley...
