

Midnight Juggernauts, Into The Galaxy

[Chorus]x2

Floating to the edge of the world
Floating to the edge of the sea
Floating off the edge of the ocean
Out into the galaxy

An apparition
Of twilight visions
A final mission
A superstition
Reactivated
Now automated
Appropriated
Investigated
Global tectonics
Psycho robotic
Plasma bionic
Bred supersonic
A new translation
For intergration
Your invitation
G.L.O.R.I.A.

[Chorus]x2

Floating to the edge of the world
Floating to the edge of the sea
Floating off the edge of the ocean
Out into the galaxy

Hyper-creation
Or reinvention
Love and affection
Gaining attention
United nations
Inter-relations
A decleration
Of hypertention
Emerging summits
Pre emptive plummit
We drop atomic
To shooting comets
the controversial
ultra-commercial
now universal
G.L.O.R.I.A.

[Chorus]x2

Floating to the edge of the world
Floating to the edge of the sea
Floating off the edge of the ocean
Out into the galaxy

[Chorus]x2

Floating to the edge of the world
Floating to the edge of the sea
Floating off the edge of the ocean
Out into the galaxy

Out into the galaxy... x16
