

# Midnight Oil, Loves On Sale

Haul me up I'm waiting  
Oh yeah yes I'm waiting  
Waiting now they say for shopping day  
I'll pretend that I'm a rich man  
And I'll carry it away  
Oh yeah it sounds real nice  
If you got money, then it's a steal  
Give me a dollar, I'll give you a deal

Everybody says that love's on special and sale  
And everything you've ever wanted you've got to pay for  
It seems so easy and gettable, yes it's real

If you've got money, it's such a steal

Everybody says that love is the number one  
But everytime you try to get some, you've gotta buy it  
It's all so special, accessible, pretty and nice

It's oh so wonderful, at a price

You can rent a life today  
Why worry about the real thing  
Pay up now and plug in quick  
It's easy to co-ordinate  
Just credit card the right idea  
Why wait around and contemplate  
The hidden cost of what you've got  
It's better not to

(Garrett/Rotsey)
