

Midnight Sons, Stay

Stay with me baby
Don't walk away
Ooooh....

Face to face, this is it
You're leaving
This must be the moment of truth
We've had our problems I know
Yes baby
But I will make it all up to you

If I could turn back time
I would do it
I'd undo the things
The things I did to you, so

Stay with me baby
Don't walk away
I can't go on
Need you every day
Stay with me baby
Don't let it end
Won't give you up
I can't stop
So stay with me baby

My world goes round and round
I'm spinning
You're the one to make it stop
Yes, in return I would do whatever
it takes to save our love

If I could turn back time
I would do it
I'd undo the things
The things I did to you, so

Stay with me baby
Don't walk away
I can't go on
Need you every day
Stay with me baby
Don't let it end
Won't give you up
I can't stop
So stay with me baby

There ain't nobody else I long for
You're the only one I need
(you're the one that I need)
Us together forever
Can't you see
(won't you hear me sayin')

Stay with me baby
Don't walk away
I can't go on
Need you every day
Stay with me baby
Don't let it end
Won't give you up
I can't stop (repeat)

So stay with me baby just stay...
