

Midnite, Empress

Yeah aye yeah aye whoa ooo
Yeah aye yeah aye whoa ooo

Can't say that I have never
Seen your face before
I've seen you in the early morning ocean
Seen the stars on the ocean floor
Can't say that I have ever
I've never seen your moon eclipse
I know you're on the list of the angels
That the devils cannot trick

Yeah aye yeah aye whoa ooo
Yeah aye yeah aye whoa ooo

Can't say that I have never
Laid my eyes on you
I've seen you in the shapes of the pears and the peaches
Empress like Titu

Share my life with you
Yeah yo my time for you

Seen daughter be careful
To whom to tell your dreams
Cause they will use you through your revelation

Even shattered silence will come together
I never use no net and still I caught her

When I daughter come bring I man a drink of water
Even the room will remember
