

# Midnite, White Collar Criminal

Them is you lackey and you crony  
Only from resistance you gonna know me  
The shak out of the lion mane truly  
Enough arrows a corn tree  
In a furrows of country

Yeah ay oh white collar criminal  
Blue collar Krishna  
All your decimation inclination  
You tek cali out a India  
The feminine emblem  
Send the best cultivator  
Steel metal paper worker  
Giving up your ganja for cancer

Living their life on the arrogant tip  
Put them on a just-can't-turn-around trip  
Living in a comfortable scavenger vibes  
Mud don't cause pig to feel sick  
Everyday them must put on the clown face  
So now them accustomed to playing tricks  
I'm not riding along on your quicksand pace  
I don't feel at home in it

White collar criminal  
Blue collar Krishna  
All your decimation inclination  
You tek cali out a India  
The feminine emblem  
Send the best cultivator  
Steel metal paper worker  
Giving up your culture for cancer

Well I don't think you know  
Bout none of the two lthiopia  
Run go go King James your version  
What's the first verse in a Esther

Try neva to witness a people  
Disappear transaction in action yeah  
Hail when the boardroom hit order come down  
Silence is the usual chain reaction  
All them searching for them bigger power  
Ova occupation rejection racial  
Every corporate capo on foot in retreat  
Who's the next sacrificial

White collar criminal aye  
Blue collar Krishna  
All your decimation inclination  
You tek cali out a India  
The feminine emblem  
Send I the best cultivator  
Steel metal paper worker  
Giving up your culture for cancer  
Giving up your culture for cancer

Yeah from the whipping in the temple  
These representing everlasting life  
From the dripping ina blood sweat fees  
Ganja hustle free a soul tonight aye  
And who that rebuke my ease  
Is a judgment sacrifice ahay ahay

Karma protection reduce that  
Give the ride one more boost

White collar criminal aye  
Blue collar Krishna  
All your decimation inclination  
You tek cali out a India yeah  
The feminine emblem  
Send I the best cultivator  
Steel metal paper worker  
You giving up your culture for cancer

Hail I don't think you know  
Bout none of the two lthiopia  
Why run go go King James your version  
What's the first verse ina Esther aye aye
