Migos and Longway we don't need no label (That's how a nigga came in)
Walk in the bando see bricks on the table (That's how a nigga came in)

See the mail man dropping the box on the porch know the OG gas came in (came in)
That's a fool hot nigga got the Olsen twins booted up and I came in (came in)
Fucking yo' bitch last night and she said you the nigga, came in (came in)
Blue Benjamin's we got new figures when the truck came in (came in)

Ran through a whole shit load
Double back to play kick door
Forty bricks and the OG indo
Karate chop the brick like kimbo
Lil bitty bitch wanna play limbo with the dick
She say that her nigga a bimbo
Came in swagga with the Givenchy toes
Cocaine white like the dope on the stove
Vanilla ice on my neck froze
Blue Benjamin's on me sloppy
She came right in with the sloppy topsey
Four trap spots like Monopoly
Black Double R man I'm [?]
All black choppas sick of shopping
Picking you out no binocular
Only one came in no imposter
MPA Band camp rastas
Young niggas pull up like shottas
Black got the tint on the Bentley like I'm dumpin'
Smoking on the backwood like a rasta
Same way I came in I'm going out
Running my trap house like In N Out
California Kush 33 cash out
Same way the bass came in beat em out
Young nigga move that dope
Chain the way it came in ain't never seen a drought
Digital scale that's my clock
Burr burr Audemar watch
Roberto Cavalli all over my body
Watch out for that Heckler & Koch
She want a blue Benjamin knot
Came in getting dope out the pot

Bootin up double day Olsen twins
Double down on the cocaine Benz
Same day the SLS came in
Bust down with them blue Benjamin's
Sack like Saint Nick coming down the chimney
Deuce deuce in my pocket standing in mansion
That's how a young nigga came in
Pocket monster run how he get it in
Giuseppe stepping residue fishscale
Mail man ringing my door bell with bails
33 gas bags on retail
Break em down fill em up vac' seal
When the pack came in you ain't get one smell
Came in sold all my wholesale
Cuddle in the Bentley at the intercontinental 3 bad bitches all on my coat tail
That's the way I came in, smelling like gas in the hotel
Percocet on me them pain pills
