

# Migos, Days Of The Week

I got a truck load pulling in, dropping off bricks on Monday  
My Breitling cost a nigga mortgage, only wear red rubans on a Tuesday  
I fuck up the interstate Wednesday  
Feds looking for me Thursday  
Pound of that crack and I'm smoking I'm smoking, my plug [?] like it's Friday  
Trapper turned rapper, I'm dabbing on camera  
Saturday a show in Canada  
You know a nigga putting God first  
And when I wake up in the morning got to go to church  
Now all my hard work get paid off  
Got bout' fifty mansions, 20 lost  
Double Maybach but no Ricky Ross  
Niggas copying Cubans links but [?]  
Nigga used to be break the bottom but now I'm at the top  
[?] I'm beating the block  
I can take a trip Brazil, no passport  
I bought the bitch an Aston Martin, she ain't asked for it  
Free my nigga jammed up, man I pray for him  
Shout out my niggas that be running from the Task Force  
12 kicking in the door, better go for it  
Usain Bolt, nigga better run for it

These bitches fucking on a young rich nigga of course  
Licking all on my chestnuts, no Morris  
Counting all of this money, got a nigga bored  
Call a bitch tourist, she tryna' explore  
I got a lot of M&M's, nigga that's plural  
You nigga wanna' be a Migo, give a nigga a tutorial  
Bald head jab, looking like it's Morpheus  
Running from the tab, trafficking in [?]  
Thumb through it young nigga  
Thumb through it young nigga  
Don't forget where you come, you used to be a bum nigga  
You a sideline cheerleader, pom pom nigga  
Talking bout' you seen it all, then what the fuck you done nigga  
I did been arrested, a felon, a failure  
We run up in your house, we sell the gold, and then we sailing  
Everything went great, until a nigga caught a case  
I never been to prison, God told me don't make mistakes  
We were broker than a motherfucker, son had to shake  
I didn't want a fucking job, cause' your grad used to rake  
When it's late, mask on my face, 9 on my waist  
If a nigga broke, I beat him with a pistol, Anime

Offset he gone' beat him with a pistol, Anime  
Mango the Foo, I'll beat the nigga, Jason face  
I was gone' for a minute cause' a nigga caught a case  
Now, I'm finna' get M&M'S, don't call me Dr. Dre  
All of my niggas, we kicking doors for a long time  
We been trapping 20 years, still broke wrong grind  
Migo Gang is the family, we working at there like the phone line  
Trapping and capping, shoot up the spot like Columbine  
Rapping and trapping, my niggas living in a mansion  
Pull out the camera, my niggas all about the action  
The way that we punking, these niggas thinking we are Ashton  
Pull out the .44 on a pussy nigga the magnum  
Riding around the city, presidential its a Phantom  
My plug playing with the white girl, Dakota Fanning  
The AR Chopper bullet hit him like Steve Manning  
Flipping these niggas like you trying out for gymnastics  
I got these bricks in the fender, I might get charged with a trafficking  
Mango the Foo, bitch I be fresher than a mannequin  
I'm all in Peru, but how my plug is an Italian  
Safari Giuseppe, it got me walking like an African
