The haters can't stop me from shinin'
Don't play with me nigga, Machete will hit you
Young nigga you know that I'm Haitian
I had to stay down while we trappin' the vacant
Mama she said we would make it
Feels good to be rich

I pull out my wallet, finessin' him
I be with the migos, no Mexican
I'm a young rich nigga
I'm buying whatever no matter the cost
Yo' boyfriend about to come fuck with a boss
I ride in a Maybach, no Ross

Welcome to my island

Selling babies, cooking toddlers
Bad bitches givin' knowledge
Welcome to my land

Whippin' and flippin' them candy yams
On the islands, no Gilligan

You niggas are sweeter than Cinnamon
