Migos, Islands

Yo, nice to meet you Adios!

We taking trips, on the islands My bitch bad, she from the islands Where the plug? He on the islands No Gilligan, I'm on the islands Splash, trip, islands Water, islands Splash, trip, lots of islands Living on the islands

Quavo, Quavo, on the islands cooling like Gullah Gullah I'm independent I ain't tryna sign to Warner Brothers We'll take ten mil' for a Label deal And I don't want the PT if it ain't Double Seal Life is a gamble game, wrist still a hurricane In a Audi getting brain, swerving in the other lane They wanna fuck with me cause I'm a millionaire Spectacular, the choppas in the back and in the frigidaire You don't even wanna bust a move, come on my friend Got them on stand-by on snooze, stand-by my free I just pushed the button and you lose, you lose my free PAW!

I got dreads like I'm from the islands
Smokin' weed like I'm from the islands
I just met a bad lightskin bitch on Highland
I'm a get some brand new pussy tonight
Dolla Sign and Migos we the trendsetters
Pushaz Ink the label we the trendsetters
That's yo' bitch, on God, she was just with us
That's yo' bitch, tonight, nigga don't kiss her
Rum and coke, she drink pina coladas
I only smoke kush, these niggas still on the chronic
Met a redbone, in bikini bottoms
Look just like Rihanna, say she from the islands

My bitch from the islands I covered her in diamonds The haters can't stop me from shinin' Don't play with me nigga, Machete will hit you Young nigga you know that I'm Haitian I had to stay down while we trappin' the vacant Mama she said we would make it Feels good to be rich Got a jet, take a trip Fuck nigga we made it! The plug on the islands, no Gilligan I pull out my wallet, finessin' him I be with the migos, no Mexican I'm a young rich nigga I'm buying whatever no matter the cost Yo' boyfriend about to come fuck with a boss I ride in a Maybach, no Ross

Welcome to my island
Lions, bears, and tigers
Selling babies, cooking toddlers
Bad bitches givin' knowledge
Welcome to my land
Molly santan' kickstand
Choppas on deck like Iran
Whippin' and flippin' them candy yams
On the islands, no Gilligan

You niggas are sweeter than Cinnamon I run to the money with energy My loafers are 'gator amphibians Rocca been trappin' for centuries How the hell you don't know Benjamin? You run up on me it's a penalty His pack went missin', a mystery
