Miguel Bose, Olympic Games

"(Verse 1)"
Runner on your mark
I've been training to be careful not to jump the gun
Gonna give it all my heart
There'll be no looking back until the race is won

"(Middle 1)"
Got to put it to the test
Got to find out who's the best
Who's the fastest in the world

"(Bridge)"
Never give in, never give in
Never give in, I want to win
Never give in, never give in
Never give in, I've got to win

"(Chorus)"
Olympic Games, Olympic Games
Winners and losers, fortune'n'fame
Olympic Games, Olympic Games
That's why I run, that's why I came

He-he...

"(Verse 2)"
Mile after mile
I push it to the limit then I push for more
Mile after mile
Every step's a little stronger than the one before

"(Middle 2)"
Got to put it to the test
Got to find out who's the best (...haaah!!!)
Who's the fastest in the world

"(Bridge)"
Never give in, never give in
Never give in, I want to win
Never give in, never give in
Never give in, I've got to win

"(Chorus)"
Olympic Games, Olympic Games
Winners and losers, fortune'n'fame
Olympic Games, Olympic Games
That's why I run, that's why I came

"(Instrumental break)"

"(Chorus)"
Olympic Games, Olympic Games
Winners and losers, fortune'n'fame
Olympic Games, Olympic Games
That's why I run, that's why I came

"(Bridge)"
Never give in, never give in
Never give in, I want to win
Never give in, never give in
Never give in, I've got to win
