Miguel Bose, Paradise

Out to go Thru your chosen door Standing on the steps to paradise.

Someone else Is taking on your space Standing on the steps to paradise.

Cant you see Its only you for me Standing on the steps to paradise.

All I see Is how our love should be Standing on the steps to paradise Paradise, paradise.

All Im wanting to say Is you are my paradise, paradise Dreaming day after day It would be a paradise, paradise.

Come back baby to me So we could taste paradise, paradise Take my hand and well be Forever in paradise, paradise.

Come on back Weve been our separate ways You know where we belong, its paradise.

Without your love Im helpless on my own Standing on the steps to paradise Paradise, paradise.

All Im wanting to say Is you are my paradise, paradise Dreaming day after day It would be a paradise, paradise.

Come back baby to me So we could taste paradise, paradise Take my hand and well be Forever in paradise, paradise.

All Im wanting to say Is you are my paradise, paradise Dreaming day after day It would be a paradise, paradise.

Come back baby to me So we could taste paradise, paradise Take my hand and well be Forever in paradise, paradise.
