

Miguel, Sky Walker (ft. Travis Scott)

quick to dead the bull like a matador
quick to dead the bull like a matador
quick to dead the bull like a matador
quick to dead the bull like a matador

Quick step
catch a wave on us
take a shot
make a friend
just enjoy the moment
I'm uke Skywalking
on those haters

celebrate every day like a birthday
good things come to those, that wait up

been gone
working, trapping too long
don't sleep
you gotta stay up
don't sleep
you gotta stay up
