

# Mihai Traistariu, Torner?

I'm keeping your smile in my mind everyday.  
I'm feelin' your touch on my face even while you're away.  
Like when was together in that dream that could've been so right...  
Like when was together in that dream that could've been so right...

Tornero, tornero  
La mia vita ti daro .  
Tornerai, tornerai  
Mia per sempre tu sarai.  
Tornero, tornero  
La mia vita ti daro.  
Tornerai, tornerai  
Mia per sempre tu sarai.

I wonder what I should feel so empty these days.  
I wonder what I should fall while you're away.  
We'll dance together in that dream that could've been so right...  
We'll dance together in that dream that could've been so right...

Tornero, tornero  
La mia vita ti daro.  
Tornerai, tornerai  
Mia per sempre tu sarai.

I'm keeping your smile in my mind...  
I'm feelin' your touch on my face...  
I just really miss you  
And I wanna kiss you ...  
And I wonder why, why I didn't know...?

Tornero, tornero  
La mia vita ti daro.  
Tornerai, tornerai  
Mia per sempre tu sarai.  
Tornero, tornero  
La mia vita ti daro.  
Tornerai, tornerai  
Mia per sempre tu sarai.
