

Mika, Sanremo

light brown skin

light brown skin
lips like a Campari
words like soda
can I come over?
just let me in
I wanna go
when the night are blinded
the sun keeps shining

if I could
I know where I'll be
in a little time in Italy
close your eyes
come away with me
tomorrow we'll be

siting by the seaside
drinking up the sunshine
yeas I will go
dancing in Sanremo

..
different place with yellow flowers
somewhere only we know
sunset in Sanremo
