

# Mika, Staring At the Sun

Watch the sunset  
Hold it from afar  
Close as I get  
To being where you are  
Why there's light left?  
I sing this song for you  
Don't know if you care  
but every day, I do

Here I stand, staring at the Sun  
Distant land, staring at the Sun  
You're not there, but we share the same one!  
My surpass staring at the Sun  
Distant town, staring at the Sun  
One thing's true just like you  
There's only one.

And I don't care if it burns my eyes  
And I don't care cause my love is blind

From staring at the Sun /4x

Send my love down in those razor flight  
Through your window on your tired eyes  
Say good morning,  
Say it to the Sun,  
Like you're talking, talking to someone

Here I stand, staring at the Sun  
Distant land, staring at the Sun  
You're not there, but we share the same one!  
My surpass staring at the Sun  
Distant town, staring at the Sun  
One thing's true just like you  
There's only one.

And I don't care if it burns my eyes  
And I don't care cause my love is blind
