

Mikaila, Because Of You

Finally I found it
Someone that I really care about
Baby I believe that you're one
Now I understand it
That I want you without a doubt
But now I gotta some time alone

So much more than just a friend
It's the beginning, not the end
I'll be there for you
Time and time again

I gotta go, get away
How I feel about you makes me wonder
If our love is true
You wanna go, all the way
Could you wait a little bit longer
Cause I'm saving all my love because of you
Because of you, because of you

I don't want to hurry
