

Mikaila, Emotional

I don't need a heartache
And crushes can be so fake
Sooner than you know it
They turn your world around
You might think I'm crazy
When I don't want red roses
I'd rather have you promise
That you'll never let me down

I don't wanna fall in love
I try and try but then we get emotional
Oh, I don't need a hit and run
Don't tell me we were only having fun

I kind of like your sweet talk
And that could make a good start
But if you wanna move me
You better play it straight with my heart

[Repeat Chorus]

So, maybe you're the one
Who gets me going on
But I'm not waiting for a star to fall
You've gotta treat me right
And be my knight in white
That's so emotional

[Repeat Chorus]
