

# Mikaila, My Heart Can't Let You Go

Verse 1:

Here, sitting all alone  
In the stillness of my room  
Silence fills the space  
Where once I held you  
There's a breeze around me  
A memory that chills me to my bones  
And I wonder where you are  
It's tearing me apart

Chorus:

My heart can't let you go  
I try to break away  
It haunts me every night  
But the ghost of you won't fade  
You've hypnotized my soul  
My heart can't let you go

Verse 2:

Now, I try to turn the page  
I know I must move on  
But I never get too far  
'Cuz you are all I want  
There's a touch that's missing  
An emptiness that I have never known  
And I don't know where to start  
It's tearing me apart

Chorus:

My heart can't let you go  
I try to break away  
It haunts me every night  
But the ghost of you won't fade  
You've hypnotized my soul  
My heart can't let you go

Verse 3:

No matter how hard I pretend  
You might be coming back  
Don't wanna face the fact  
Every story has an ending

It haunts me every night  
But the ghost of you won't fade  
You've hypnotized my soul  
My heart can't let you go

No I can't let you go...  
My heart can't let you go...
