

# Mikaila, So In Love With Two

My number one  
There could never be no one like you  
How come I feel this way about  
My number two  
Never tried to tell me what to say or do  
I'm so in love with two

I don't wanna push it  
I don't wanna fight  
But this feeling keeps me up all night

Chorus  
If I only could decide  
But I can't make up my mind  
I'm breaking all my rules  
Because of you  
You can tell me it's not right  
And it tears me up inside  
But the problem is  
I'm so in love with two

Heyeh.....  
I don't know what to do  
Heyeh.....  
I choose the both of you

My number one  
You're givin' me everything I need  
But some things still are betta with  
My number two  
He's the one that really makes me feel ---so good  
I'm so in love with two(x2)

I don't wanna push it  
I don't wanna fight  
But this feeling keeps me up all night

Chorus  
If I only could decide  
But I can't make up my mind  
I'm breaking all my rules  
Because of you  
You can tell me it's not right  
And it tears me up inside  
But the problem is  
I'm so in love with two(x2)

Heyeh.....  
I don't know what to do  
Heyeh.....  
I choose the both of you

An other Night  
Just wanna  
make it right
