

# Mike And The Mechanics, You Don't Know What

You don't know what love is baby, someday you may  
You don't know the hurt you cause  
And all the thoughtless things you say  
You don't know, you don't know  
You don't know what trust is maybe, someday you find  
Someone is obsessed by you  
Remember to be kind, then you know  
What you don't know  
Cut to the chase  
Spare me the lie, right to your face with no disguise  
I'm not being mean, seems you've a lot to learn  
Well you don't need to be smart, or try to be cool  
Noone suggesting you're a fool  
To your face, to your face, to your face  
Baby, you don't know what love is, someday you may  
You don't know the pain you cause  
With all the crazy things you say  
You don't know, oh you don't know  
You don't know what hope is baby, you have to try  
Put your faith in someone, doesn't mean he'll make you cry  
You don't know, you don't know  
Put down your guard  
Give me a break, just take a chance that's all it takes  
To my face, to my face, to my face  
Tell me, You don't know what love is, someday you may  
You don't know the pain you cause  
With all these crazy things you say  
You don't know, no you don't know  
You don't know what love is baby  
But someday you may  
And you don't know the hurt you cause  
All the silly thoughtless things you say  
You don't know, you don't know, you don't know baby  
You don't know the thoughtless things you say  
You don't know what love is  
Someday you may, someday you may  
You don't know
