

# Mike Batt, Lady Of The Dawn

Lady of the dawn,  
you opened up my sleeping eyes,  
I never knew,  
that I was born  
but I like you,  
for your body  
and I love you,  
'cause you're wise,  
I am your prisoner,  
you're my lady of the dawn

You are the dealer,  
in this strange uncertain game,  
take my cards,  
and deal again,  
I can feel my life is changing,

Woman,  
now you've taught my how to learn,  
teach me to earn,  
the love you give to me,  
the love you give to me

Lady of the dawn,  
you opened up my sleeping eyes,  
I never knew,  
that I was born  
but I like you,  
for your body  
and I love you,  
'cause you're wise,  
I am your prisoner,  
you're my lady of the dawn

I was waiting,  
in the darkness of the night,  
only now, I see the light,  
softly shining in the eyelids,  
woman, if you really hold the key,  
turn it for me,  
and help me understand,  
help me understand

Lady of the dawn,  
you opened up my sleeping eyes,  
I never knew,  
that I was born  
but I like you,  
for your body  
and I love you,  
'cause you're wise,  
I am your prisoner,  
and you're my lady of the dawn...
