

Mike Doughty, Real Love/It's Only Life

We are lovers through & through
Though we made it through the storm
I really want you to realize
I really want to put you on
I've been searching for someone to satisfy my every need
Won't you be my inspiration baby
The real love that I need

Real Love
I'm searching for a real love
Someone to set my heart free
Real love
I'm searching for a real love

When I met you I just knew
That you wouldn't take my heart and run
Once you told me how you felt for me
You said I'm not the one
So I slowly came to see
All the things that you are made of
And a pile of my dreams and inspirations
Lead me towards a real love

Real love
I'm searching for a real love
Someone to set my heart free
Real love
I'm searching for a real love

And I thought you were the answer
to the question in my mind
And I thought you were the answer
to the question in my mind

What does it mean, what can you do about it
What can you say when you don't even know about it
It's a nightmare, it's all negative
Nothing matters & what if it did you could
Lock your doors, close all your windows
And hide away, hide away

Real love
I'm searching for a real love
Someone to set my heart free
Real love
I'm searching for real love
Someone to set my heart free
Someone to set my heart free
Someone to set my heart free
Someone to set my heart free
Someone to set my heart free
