

Mike Doughty, Shunned And Falsified

oh i will not
be undersold
the grip is tight
the hand is cold
like money thrown
upon the sea
i hope my love
swims back to me

and i can't save nobody

i was shunned and falsified

oh there's a car
down on the lot
smarter than
the car i got
and there i am
inside the trunk
water slow-
ly boils to funk
