Rolling down a lonely highway (repeat 3 times)  
I see everything clearer now  
Rolling down a lonely highway (repeat 3 times)  
I see, I see everything clearer now

Feels like I just walked right out of heaven  
feels like I damn to throw my life away  
sad just like a child thats lost at seven  
dont know what to do, to get back right with you

Feels like i just walked right out of heaven  
feels like I damn to throw my life away  
sad just like a child thats lost at seven  
dont know what to do, feels like i just walked right out of heaven
