

# Mike & Laurent, Now (feat. Justyna Steczkowska)

How does it feel to hold yourself back  
When you already know  
What you gonna do with all of that baby  
When you gonna let it go  
Baby give it up  
Time to seal your fate  
I know this is love  
And I don't wanna wait  
Make it happen now  
Before it's too late  
Come and gimme some

I don't wanna wait  
I don't wanna wait forever cause I'm ready  
Now  
If you wanna taste the future give me your mouth  
Pick it up cause baby I'm about to lay it down  
I don't wanna wait  
I don't wanna wait forever cause I'm ready  
Now

Na na na na now  
Na na na na now  
Na na na na now  
Cause I'm ready now (4x)

How does it feel to hold yourself back  
When you already know  
What you gonna do with all of that baby  
When you gonna let it go  
Baby give it up  
Time to seal your fate  
I know this is love  
And I don't wanna wait  
Make it happen now  
Before it's too late  
Come and gimme some

I don't wanna wait  
I don't wanna wait forever cause I'm ready  
Now

Now now now now now  
Cause I'm ready now
