

# Mike Oldfield, Liberation

When the birds sing outside,  
and you see the trees changing to green  
the sun invites one to be out in the open air  
when the sky is so blue, then  
oh then, I wish for so much!

And the best remedy, for those who are afraid, lonely or unhappy  
Is to go outside, somewhere, where they can be quite alone  
with the heavens, nature and God
