

Mike & The Mechanics, Looking Back Over My S

Looking back over my shoulder
I can see that look in your eye
I never dreamed it could be over
I never wanted to say goodbye

Looking back over my shoulder
With an aching deep in my heart
I wish that we were starting over
Oh instead of drifting so far apart

Everybody told me you were leaving
Funny I should be the last to know
Baby please tell me that Im dreaming
I just never want to let you go

Looking back over my shoulder
I can see that look in your eye
Turning my heart over and over
I never wanted to say goodbye

I dont mind everybody laughing
But its enough to make a grown man cry
Cos I can feel you slipping through my fingers
I dont even know the reason why

Every day its a losing battle
Just to smile and hold my head up high
Could it be that we belong together
Baby wont you give me one more try
One more try

Looking back over my shoulder
I can see that look in your eye
I never dreamed it could be over
I never wanted to say goodbye

Looking back over my shoulder
Oh with an aching feeling inside
Cutting me up, deeper and deeper
Fills me with a sadness that I cant hide

Looking back over my shoulder
I can see that look in your eye
I never dreamed no no it could be over
I never wanted to say goodbye

Looking back over my shoulder
I can see that look in your eye
