

Mikko Leppilampi, If I ever fall in love again

(Boyz II Men cover)

The very first time that I saw your brown eyes

Your lips said 'Hello'

And I said 'Hi'

I knew right then you were the one

But I was caught up in physical attraction

But to my satisfaction

Baby you were more than just a face

And if I ever fall

In love again

I will be sure that the lady is a friend

And if I fall

In love so true

I will be sure that the lady's just like you

If I say that I could be your one and only

Promise that you'll never leave me lonely

I just wanna be the one you need

Oh baby

I just wanna be the one to serve you

Sometimes I feel as if I don't deserve you

I cherish every moment that we share

And if I ever fall

In love again

I will be sure that the lady is a friend

And if I fall

In love so true

I will be sure that the lady's just like you

I need someone who who will be my friend

To be with me through thick and thin

Please share my love with me my friend

I need someone like you
