

# Mikolas Josef, Never Get Over You

Hey what's new  
Since we've been over  
The time passed like water  
And I caught myself thinking of you

Is it true  
What all your friends tell me  
You're still crazy about me  
Well maybe I feel that way too

You  
You'll always be on my mind  
And it kills me every night  
How I'm way too in love  
With all of the things that you do

Oh baby you  
You'll always be my missing piece  
The only one I'll ever need  
I'm wishing words were enough  
To say this the way that I mean

I hate to admit but it's true  
I'll never get over you

Shoulda gave you my world  
But my hands were empty  
Too young to be open  
Or was I just scared to get lost

I should have been there  
Was too busy dreaming  
So I get why you're leaving  
But I'm never letting you go

You  
You'll always be on my mind  
And it kills me every night  
How I'm way too in love  
With all of the things that you do

Oh baby you  
You'll always be my missing piece  
The only one I'll ever need  
I'm wishing words were enough  
To say this the way that I mean

I hate to admit but it's true  
I'll never get over you

If it's really over  
I need you to know that  
My heart's on fire  
Every night and I'm

Never getting sober  
Baby you should know that  
A lifetime from now  
I'll still be in love with you

You  
You'll always be on my mind  
And it kills me every night  
How I'm way too in love

With all of the things that you do

Oh baby you  
You'll always be my missing piece  
The only one I'll ever need  
I'm wishing words were enough  
To say this the way that I mean

I hate to admit but it's true  
I'll never get over you
