

Mila (Emilia Dębska), All I Need (piosenka na EU

You're so close to me
Let this moment be
I can feel your heart beat
Throw away all of your fears

I need you to stay
Nothing less to say
Take my breathe away
We both know it's better this way

Don't take this for granted
Love is free, there's no guarantee
I'm surprised, I apologize
for what you mean to me

You're all I need
You're all I need
All I need

Please don't make me think
If it's meant to be
Don't you worry about me
I promise I won't shed a tear

But don't take this for granted
Love is free, there's no guarantee
I'm surprised, I apologize
for what you mean to me

You're all I need
You're all I need
All I need

oh ooh ooh woah
ooh ooh ooh ooh oh oh woah
oh ooh ooh woah

You'd make my whole life complete
