

Milburn, Let Me Go

Hello well my name is
You look pretty can I join you
Let me buy you a few drinks then we can go oh oh
I know this little place
Where we can boogie on the tables
You'll go oooh baby

And then a little later
When we've finished with the tables
Well I know this special place where we can go oh oh
I'll be waiting for you
In the backroom with the lights off
You'll say oooh baby

Don't let me go!
Don't you ever let me go!

Cause baby we are driving
On the fast lane of this road
And if there's one thing you should know
Then darling never, never let me go!
Don't you ever let me go!
Don't you ever let me go!
Don't you ever let me...

I'll love you in the morning
In the evening when were legless
We'll have drugged up funky lovin' me and you oh oh
And you can make me breakfast
Whilst I'm busy in the bathroom, yeah
No or maybe

And sometime in the future
I'll be thinking of our romance
How we didn't give a fuck just who we might offend
And do you still remember how we boogie woogie woogied
You said oooh baby

Don't let me go!
Don't you ever let me go!

Cause baby we are driving
On the fast lane of this road
And if there's one thing you should know
Then darling never, never let me go!
Don't you ever let me go!
Don't you ever let me go!
Don't you ever let me...

Never ever, never ever
Never ever, don't you ever
Never ever, never ever
Never ever, now don't you ever
Never ever, never ever
Never ever, now don't you ever
Never ever, never ever
Never ever, don't you ever

Don't you ever let me go!
Don't you ever let me go!
Don't you ever let me go!
Don't you ever let me go!
