

Miley Cyrus, Beautiful

Every time it rains
I think of you
I think about the sparkle
In your eyes
Something 'bout the rain
That brings beauty
To everything
[Chorus:]
You and me
We'll go dancing
(Dancing in the rain)
You look at me
With your big beautiful
And it's so gorgeous
And it's so wonderful
It's beautiful
I was standing there
Shyly
And you came up to me
You said
"Would like to dance?"
And fearlessly
I said yes
[Chorus]
Oh the rain
Oh the pain
I don't care
As long as I'm with you
Oh the rain
Oh the pain
I still love you
[Chorus]
Oh ooh oh
It's Beautiful
