Miley Cyrus, Fly On The Wall

You don't understand what it is That makes me tick But you wish you did You always second guess, wonderin' I say yes but you just lose out every time

If you only knew what I talked about When I'm with my friends just hangin' out Then you'd have the inside scoop On what to say, what to do That way when you play the game Baby you can never lose

Don't you wish that you could be a fly on the wall A creepy little sneaky little fly on the wall All my precious secrets, yeah You'd know them all Don't you wish that you could be a fly on the wall

You'd love to know, the things I do When I'm with my friends, and not with you You always second guess, wonderin' There's other guys I'm flirting with You should know by now

If you were my boyfriend, I'd be true to you If I make a promise, I'm comin' through Don't you wish that you could See me every second of the day That way you would have no doubt But baby, I would never stray

Don't you wish that you could be a fly on the wall A creepy little sneaky little fly on the wall All my precious secrets, yeah You'd know them all Don't you wish that you could be a fly on the wall

A little communication That'll go a long way You're getting misinformation Too much hear-say, hear-say

And what I say is Come a little closer And what I'm gonna say is

Don't cha Don't cha Don't cha Don't you wish you were a... Hey!

Don't you wish that you could be a fly on the wall A creepy little sneaky little fly on the wall All my precious secrets, yeah You'd know them all Don't you wish that you could be a fly on the wall
