

Miley Cyrus, I Learned From You

Ooooo

Yeah

I didn't wanna listen to what you were sayin'

I thought that I knew all I need to know

I didn't realize that somewhere inside me

I knew you were right but I couldn't say so

I can take care of myself, yeah, you taught me well

I learned from you that I do not crumble

I learned that strength is something you choose

All of the reasons to keep on believin'

There's no question, that's a lesson, that I learned from you

We always don't agree on

What is the best way

To get to the place that we're going from here

But I can really trust you, and give you the distance,

To make your decisions without any fear

I'm grateful for all of the times

You opened my eyes

I learned from you that I do not crumble

I learned that strength is something you choose

All of the reasons to keep on believin',

There's no question, that's a lesson

I learned from you

You taught me to stand on my own

And I thank you for that

You saved me, you made me,

And now that i'm looking back

I can say

Wooooaaahhhh!

Hmmmm...hmmmm...yeah!

I learned from you that...

I learned from you...

I do not crumble

I learned that strength is something you choose (something you choose)

All of the reasons to keep on believin', (keep on believin')

There's no question, that's a lesson that i learned from you

Wooooaaahhhh!

I learned from you

I learned that strength is something you choose (something you choose)

All of the reasons to keep on believin',

There's no question, that's a lesson that I learned from you

Teah!

I learned from you
