Miley Cyrus, I Learned From You

Ooooo Yeah

I didn't wanna listen to what you were sayin'
I thought that I knew all I need to know
I didn't realize that somewhere inside me
I knew you were right but I couldn't say so

I can take care of myself, yeah, you taught me well

I learned from you that I do not crumble I learned that strength is something you choose All of the reasons to keep on believin' There's no question, that's a lesson, that I learned from you

We always don't agree on
What is the best way
To get to the place that we're going from here
But I can really trust you, and give you the distance,
To make your decisions without any fear

I'm grateful for all of the times You opened my eyes

I learned from you that I do not crumble I learned that strength is something you choose All of the reasons to keep on believin', There's no question, that's a lesson I learned from you

You taught me to stand on my own

And I thank you for that

You saved me, you made me, And now that i'm looking back

l can say Woooaaahhhh! Hmmmm...hmmmm...yeah!

I learned from you that...

I learned from you...

I do not crumble

I learned that strength is something you choose (something you choose)

All of the reasons to keep on believin', (keep on believin')

There's no question, that's a lesson that i learned from you

Woooaaahhhh! I learned from you

I learned that strength is something you choose (something you choose)

All of the reasons to keep on believin', There's no question, that's a lesson that I learned from you

Teah!

I learned from you
