

Miley Cyrus, On A Roll (Ashley O from Black Mirror)

oh honey
i'll do anything for you
oh honey
just tell me what you want me to
oh honey
kiss me up against the wall
oh honey
don't think anything just have it all

yeah I can't take it
so don't you fake it
I know your love's my destiny
yeah I can't take it
please demonstrate it
cause I'm going down in history

head like a hole
I'm on a roll
riding so high
achieving my goals
head like a hole
I'm on a roll
riding so high
achieving my goals

oh honey
i'll do anything for you
oh honey
just tell me what you want me to
oh honey
kiss me up against the wall
oh honey
don't think anything just have it all

yeah I can't take it
so don't you fake it
I know your love's my destiny
yeah I can't take it

cause I'm going down in history

head like a hole
I'm on a roll
riding so high
achieving my goals
head like a hole
I'm on a roll
riding so high
achieving my goals

I am stoked on ambition and verve
I'm gonna get what I deserve
so full of amination and verve
I'm gonna get what I deserve
