

Miley Cyrus, Ordinary Girl

Don't get me wrong,
I love who I am
I don't wanna be ungrateful
It probably sounds strange
I really love the role I play
The songs I sing
But with all the fame
The things that seem so simple,
suddenly, so far out of reach
Wish that they could see that underneath
I'm just an ordinary girl!

Sometimes I'm lazy
I get bored
I get scared
I feel ignored
I feel happy, I get silly
I choke on my own words
I make wishes, I have dreams
And I still want to believe
Anything could happen in this world,
For an ordinary girl
Like you, Like me
For an ordinary girl
Like you, Like me

How are you?
Hello, good-bye
One day here, One day there
And again it's time to go
Miss popular always on the roll
But my best foot forward
Gotta get on with the show
Strike a pose for the front cover of a magazine
Everywhere I arrive, I get high-fives
They pay me larger than life
I'm just an ordinary girl!

So give it everything or nothing at all
Get back on your feet when
You stumble and fall
A little luck can go a long way
So don't you worry about what people say
Who knows when the wind may blow
For an ordinary girl
I'm just an ordinary girl

Sometimes I'm lazy
I get bored
I get scared
I feel ignored
I feel happy, I get silly
I choke on my own words
I make wishes, I have dreams
And I still want to believe
Anything could happen in this world,
For an ordinary girl
Like you, Like me
For an ordinary girl
Like you, Like me
For an ordinary girl
(Mmmmm)
For an ordinary girl
Like me, like you.
