

Miley Cyrus, The Best Of Both Worlds

Oh yeah
C'mon

You get the limo out front (baby)
Hottest styles
Every shoe, every color
Yeah, when you're famous it can be kinda fun
It's really you but no one ever discovers

In some ways you're just like all your friends
But on stage you're a star

You get the best of both worlds
Chill it out take it slow
Then you rock out the show
You get the best of both worlds
Mix it all together
And you know that it's the best of both worlds

The best of both worlds (yeah)

You go to movie premieres
Was that Orlando Bloom?
Hear your songs on the radio
Living two lives is a little weird (yeah)
But school's cool 'cause nobody knows (nobody knows)

Yeah you get be a small town girl
But big time when you play your guitar

You get the best of both worlds
Chill it out take it slow
Then you rock out the show
You get the best of both worlds
Mix it all together
And you know that it's the best of
You know the best of both worlds

Pictures and autographs
You get your face in all the magazines
The best part is that
You get to be whoever you want to be

Best, best
Yeah the best of both
Best, best
You got the best of both
Best, best
C'mon best of both

Who would've thought
That a girl like me
Would double as a superstar (who)

You get the best of both worlds
Chill it out take it slow
Then you rock out the show
You get the best of both worlds
Mix it all together
And you know that it's the best

You get the best of both worlds
Without the shades and the hair
You can go anywhere

You get the best of both girls
Mix it all together
Oh yeah
It's so much better
'Cause you know you've got the best of both worlds
