

# Miley Cyrus, True Friend

Uh huh  
That's right!

We sign our cards and letters bff (uh uh)  
You've got a million ways to make me laugh (yeah)  
You're looking out for me  
You've got my back  
It's so good to have you around  
You know the secrets I could never tell (uh huh)  
And when I'm quiet, you break through my shell  
Don't feel the need to do a rebel yell  
Cuz you keep my feet on the ground

You're a true friend  
You're here till the end  
You pull me aside when something ain't right  
Talk with me now and into the night  
Till it's alright again  
You're a true friend

You don't get angry when I change the plans  
Somehow you're never out of second chances  
Won't say I told you when I'm wrong again  
I'm so lucky that I found

You're a true friend  
You're here till the end  
You pull me aside when something ain't right  
Talk with me now and into the night  
Till it's alright again

True friends will go to the ends of the earth  
Til they find the things you need  
Friends hang on through the ups and the downs  
Cuz they've got someone to believe in

You're a true friend  
You're here till the end  
You pull me aside when something ain't right  
Talk with me now and into the night  
No need to pretend

Oh you're a true friend  
You're here till the end  
You pull me aside when somethin ain't right  
Talk with me now and into the night  
Till it's alright again  
You're a true friend  
You're a true friend  
You're a true friend
