

# Miley Cyrus, We Got the Party (With Us)

Come on guys tell me what we're doing  
We're hangin' around when we could be all over the pla-a-a-ace  
The sun is shinin' just the way we like it  
Let's get out of this hall  
And show the world our fa-a-a-ace  
It's friday but there's nowhere to go  
Anywhere is cool but we're not going ho-ome  
And we can do anything we wanna do  
It's all up to me and you

chorus:

Turn this park into a club, the stars are the lights  
And the moon is a light from above  
Skateboard's here, it's all right  
So pull on up, everyone is waitin' for us  
Anywhere we are  
Anywhere we go  
Everybody kno-ows  
We got the party with us  
Anywhere we are  
Anywhere we go  
Everybody kno-ows  
We got the party with us We got the party with us We got the party with us  
Radio, let me be a DJ  
I'll turn you up, keep us movin' till we're on a ro-o-o-ole  
Everyone is dancin' to their own beat  
And lettin' go, everybody here's got a so-o-o-oul  
It's friday and there's nowhere to be  
We're kickin' it together it's so good to be fre-e  
We got eachother and that's all we need  
The rest is up to you and me

chorus:

Turn this park into a club, the stars are the lights  
And the moon is a light from above  
Skateboard's here, it's all right  
So pull on up, everyone is waitin' for us  
Anywhere we are  
Anywhere we go  
Everybody kno-ows  
We got the party with us  
Anywhere we are  
Anywhere we go  
Everybody kno-ows  
We got the party with us  
We got the party with us  
Woo!

We got the party, we got the party!

bridge:

Life is for dreamers and I'm a believer  
That nothing can stand in our way  
Today, the place to pla-ay -- yeah!  
( yeah )

Turn this park into a club, the stars are the lights  
And the moon is a light from above  
Skateboard's here, it's all right  
So pull on up, everyone is waitin' for us  
Anywhere we are  
Anywhere we go  
Everybody kno-ows  
We got the party with us  
Anywhere we are  
Anywhere we go  
Everybody kno-ows  
We got the party with us  
Turn this park into a club, the stars are the lights

And the moon is a light from above  
Skateboard's here, it's all right  
So pull on up, everyone is waitin' for us  
Anywhere we are  
Anywhere we go  
Everybody kno-ows  
We got the party with us  
Anywhere we are  
Anywhere we go  
Everybody kno-ows  
We got the party with us  
We got the party  
We got the party  
We got the party  
We got the party with us  
We got the party with us
