Miley Cyrus, Who Said (Remix)

I'm more than just Your average girl I'd like to turn me up And show the world (Aw yeah)

'Cause some can talk the talk This girl just wants to rock I'm individual I'm not like anyone

I can be glamorous
Just like you see in all the magazines
I can be cool as ice
Or anything I want to be

Who said
Who said I can't be Superman?
I say
I say that I know I can
Who said
Who said I won't be President?
I say
I say you ain't seen nothin' yet

(Oh yeah) (Yeah)

Go on and make some noise Every girl has a choice To lead their own parade I do it my way

(Ow!)

I can be soft and sweet Or louder than the radio (radio) I can be sophisticated Or totally go (totally go) Out of control

Who said
Who said I can't be Superman?
I say
I say that I know I can
Who said
Who said I'm not electrifying?
I say
I say

There's no holdin' back Stayin' right on track 'Cause you control the game So let them know your name No limitations On imagination Imagining

(Yeah)

Who said I can't be worldwide? I say I say time is on my side

Who said
Who said I can't be ten feet tall?
I say
I say that I can have it all
Who said
Who said I can't be Superman?
I say
I say that I know I can
Who said
Who said I won't be President?
I say
I say you ain't seen nothin' yet
You ain't seen nothin' yet

(Whoa) (Yeah)

Who said?

(Come on)

(Yeah)

(That's right!)
